IAR Testing: Students in grades 3-5 will take the IAR (Illinois Assessment of Readiness) April 5th through April 14th. Students are tested in ELA and Math. Attendance during those weeks is very, very important! The IAR is rigorous and tests a student's ability and knowledge. Students are rewarded with IAR Cash for taking their time, doing their best, checking answers, working carefully, and constructing good paragraphs.

Our IAR scores are a part of our overall school rating. For the last three years, we have been rated (Exemplary) in the top ten percent of all Illinois schools. Let's keep that rating Exemplary!

Spring Sports: With Spring sports starting, it is important to find the school/practice balance. School is very important to SIS and your student(s). Help them find the right balance.

Secretary's Day: On April 27th, we celebrate Sue and Stacy and take this special day to thank them for all they do to keep us together and running smoothly! Have your student take time to say thank you.

End of Year Dates: Tentative last day of student attendance is June 3rd. June 3rd is also Field Day and Report Card Day. We are on early dismissal at 1:50 p.m.
