2022-2023 Registration

Registration for the 2022-2023 School Year is open. Please complete registration for each of your students by May 30th. **Any student who is not registered by May 30th will not be placed on a class list until August 4th.**

To register:

1. Log-In to Skyward and go to Family Access
2. All students in the family will be displayed
3. Click on the 22-23 Registration Tile (it will be green)
4. Read the welcome message and click start.
5. Fill out each section of the enrollment (including all forms)
6. Click on complete and next, move to the next section
7. Click on the review page and make sure all your information is accurate
8. Submit Form
9. Click on the Fees Tile to pay registration fees online. (fees *\$125.00* are not due until August)
10. If you have any questions, please call the school office at 815-926-1689

TEACHER APPRECIATION WEEK

May 2nd through May 6th has been designated as **National Teacher Appreciation Week**. This week provides us all with the opportunity to strengthen, support, and show respect for our teachers and the teaching profession. Please take time to thank a teacher who has made a positive difference in your life or in the life of your child. Without teachers, no other career is possible!

Thank you teachers and staff for all you do!

Math Fact Focus

Over summer break students can lose one to two months of academic knowledge. Please make sure your student(s) are fluent in math facts. In order to be successful in math, facts must be memorized.

Second grade should have all **addition and subtraction** facts through 12's memorized.

Third grade should have all **addition, subtraction, multiplication, and division** facts through 12's memorized.

Fourth grade should have all **addition, subtraction, multiplication, and division** facts through 12's memorized.

Fifth grade should have all **addition, subtraction, multiplication, and division** facts through 12's memorized. Fifth grade should also be fluent in **fraction comparisons**: $1/2 = 3/6$, $4/8$, etc., $1/3 = 2/6$, $3/9$. etc.

FUN DAY! — Friday, June 3rd

Stevens Intermediate School students will participate in our FUN DAY event on Friday, June 3rd. Many exciting games and activities are being planned to keep students entertained throughout the day.

Thank you to all volunteers. Siblings are not allowed (thank you for understanding). Thank you in advance for helping to make this a special day for your student.

Please make sure students have a water bottle on Fun Day!
